

# GYM MEMBERSHIP

## ABOUT THE SCHEME

The Gemelli Gym Scheme is a traditional voluntary benefit where discounted Gym and Health Club Memberships can be purchased by employees. This provides employees with a variety of gyms to choose from in their local area.

There is an annual fee to be paid by the employer to give employees access to the portal where employees login, locate their closest gym, download a voucher and receive the lowest corporate discounts.

## KEY POINTS

**Includes over 3,500 clubs in the UK and Ireland, including high street names such as DW Fitness First, Pure Gym, Virgin Active and many more.**

Each club is contracted to ensure employees receive the lowest available corporate rate for the type of membership they select.

The clubs range from low cost gyms like Pure Gym, The Gym Group and Xercise4less; local authorities operators like 1Life, Places for People, Better and Freedom Leisure, to the high street names such as DW Fitness First, Nuffield Health, Virgin Active and Bannatynes and even include ladies only weight loss centres such as Curves and open air exercise classes such as Be Military Fitness, there really is something for everyone. Should employees wish to use their local health club through this scheme and they are not registered we will endeavour to enrol the club as soon as possible.
